Sam Cousins

Humanities and English Teacher
Melbourne, Victoria, Australia

Summary

I feel genuinely passionate about my career in teaching. Having spent the last two years in the classroom, I know I have all the skills and experience to inspire and challenge my students to reach their full potential. I strive to create a fun and engaging learning environment that draws on personal experiences and encourages students to think critically about the world around them. I know my passion and enthusiasm for my subjects, as well as my calm, friendly demeanour, will help students achieve academic excellence and build positive, enduring relationships with my students.

TomTom
Territory Manager
April 2014 - June 2015 (1 year 3 months)

I was TomTom Sports Technical Representative and Territory Manager for Southern United Kingdom. As the company launched into a new sector of GPS products, I was part of the founding team of three taking the sports watches to market throughout UK and Ireland. Using an aggressive marketing, training and PR strategy we were able to become the top selling GPS product in the UK's largest running retailer within a year.

During this time I used innovative ways to expand the brands appeal to independent and chain retailers; performed corporate and store training; signed multiple new accounts; identified key sponsorship opportunities; attended trade fairs and weekly running events; was a constant point of contact for retailers; and provided ongoing feedback to head office about the products performance.

I had a maximum of 141 store in my portfolio, which was split into 2 roles once I left. I was looked upon to implement marketing strategies and effectively merchandise the product in store and for a period of time was the Sales Representative for my territory.
